Thank You!

What is **SB** Kisses?

It is a wonderful experience that **SB** sisters feel when they meet up with other RH sisters and feel the warmth of the **SB** "kisses" of friendship and sisterhood!

SB welcomes all with "open arms"

We strive for **SB** fun, **SB** caring,
and the warmth of **SB** friendship.

Send a **SB** "Butterfly Kisses" to another Red Hat sister

When they are feeling a bit poorly
or you need to give a RH sister a "BIG" thank you for going that
"extra" RH mile lending a helping hand whenever needed!!!!
Or even if a RH sister may just need a HUG!!!

Have you had a "A **Social Butterflies** Kisses"

Experience with any RH Member?

Tell us all about it and we will post it on our website!!
