

SB Queen's Cheer

Everywhere we gals go,
people smile and
want to know?
Who are these
foxy ladies in
their bright Red Hats?

2nd Verse:

Who Us?
Why we are the *Social
Butterflies* - we're fun
and feisty red hatters;
red, purple and bling
is our fashion,
joy and friendship
is our passion!

[Now toot your Kazoo!!!]
