

The Official *SB* Song

This is my Red Hat

[sung to the melody of
"You are my Sunshine"]

We are in Long Beach,
And wear our Red Hats,
Add some purple
And trim in "bling"

We share our smiles,
And hug our sisters ,
Social Butterflies are here to sing!

[2nd verse]

This is my red hat,
My fav'rite red hat,
I wear it proudly and
I must say,

A Red Hat lady
From *Social Butterflies*,
I am proud to be
All the way
[Now toot your gazoo's]
